why an order should not be entered:

1. holding Respondent Donald J. Trump in civil contempt for violating the Court's February 17, 2022 Order requiring him to comply in full with that portion of Petitioner's subpoena seeking documents and information because such failure did defeat, impair, impede and prejudice the rights of Petitioner, OAG, as described in the annexed Affirmation of Colleen K. Faherty and accompanying papers;
2. assessing a daily fine against Mr. Trump of \$10,000 or an amount deemed by the Court to be otherwise sufficient to coerce his compliance with the Court's February 17, 2022 Order;
3. compensating Petitioner for Mr. Trump's disobedience in the form of an award of costs and fees in connection with filing this motion;
4. permitting Petitioner to file under seal and in redacted form certain sensitive information concerning third-party law enforcement information contained in Petitioner's memorandum of law in support of its motion for civil contempt; and
5. granting such other and further relief as the Court may deem just and proper.
